

Who We Are / Affiliations

Affiliations

International industry affiliations and partnerships support our commitment to best practice standards and quality delivery. Our clients can be confident that our offerings are based in local market expertise and informed by international thought leadership and current industry research.

Partnership [Maritz®, Associate Partner](#)

Maritz® Inc is the world's largest source of integrated performance improvement, travel and market research services. As an Associate Partner we enjoy access to the research and resources of this well respected multi-national organisation.

Affiliations [Incentive Marketing Association \(IMA\), Member](#)

The US-based IMA advances the effective use of incentives and recognition in employee and customer programs by promoting the use of performance management and measurement tools, results-orientated solutions, exchange of information and high standards of professionalism. Membership in this organisation supports our commitment to delivering performance solutions informed by current industry research and thought leadership.

[Institute of Sales Promotion Limited \(ISP\), Member](#)

ISP is an international trade association representing Promoters, Agencies and Service Partners engaged in Promotional Marketing. Our staff, and therefore our clients, benefit from the professional and educational resources that this membership offers.

[International Society for Performance Improvement \(ISPI\), Member](#)

ISPI is the leading international association dedicated to improving workplace productivity and performance. The organisation promotes Human Performance Technology (HPT) and serves as the official body for Certified Performance Technologist (CPT) accreditation. With 3 of South Africa's Certified Performance Technologists on our staff, our clients benefit from program design informed by HPT methodology and expertise.

[Persona Global, Network Partner](#)

Persona Global is a management consultancy offering a series of organisational development tools and methodologies to help companies integrate corporate strategy, processes, technology and staff. Membership in this professional network gives us access to internationally field-tested tools to help our clients achieve the synergies required to realise corporate goals.

[Society of Incentive & Travel Executives \(SITE\), Member](#)

SITE is an international body of business professionals concerned with travel as a key component of performance improvement strategies. SITE membership helps us stay up-to-date on international industry trends and allows us to offer our clients fresh and compelling incentive travel options.

[WorldatWork®, Member](#)

WorldatWork® is an international association for human resource professionals concerned with attracting, retaining and motivating employees through the Total Rewards model. Membership in this organisation supports our commitment to delivering performance solutions informed by current industry research and thought leadership.

Certification [International Air Transport Association \(IATA\), Accredited](#)

Our in-house travel agency is fully accredited by IATA, a global trade organisation representing the airline industry. This allows us to offer our clients all the benefits of a traditional travel agency, tightly integrated with a broader performance improvement offering.
