### **Employee Surveys**

Employee engagement and satisfaction have a direct relationship to customer satisfaction and ultimately profitability. Employee surveys provide valuable data that can help you understand and respond to the needs of the people who drive your business.

#### **Employee Retention Survey**

**Identify the factors that are most influential in an employee's decision to leave your organisation.**

#### **Employee Satisfaction Survey**

**Understand and measure staff attitudes, opinions, motivation and satisfaction.**

#### **Organisational Surveys**

Measure the cultural climate of your organisation overall.
