Prize Fulfilment

Available as an outsource offering, or part of a full-service solution, we provide a complete supply-chain of fulfilment services.

Procurement

Long-term supplier relationships allow us to offer you a wide range of merchandise at competitive prices.

Automated systems

Our back-end IT infrastructure processes and automates order management, including back orders, inventory management and stock control.

Receiving and warehousing

Our 3260m² warehouse is on-site and fully secured.

Packing, insurance and freight

Merchandise is delivered individually, door-to-door, anywhere in South Africa, with the assistance of our streamlined despatch, delivery and tracking systems.

After sales service

We provide full after sales service on manufacturer warranties.
