

Online Catalogue of Awards

South Africa's premier Online Catalogue of Awards. One incentive, offering over 10 000 ways to motivate action, meet your objectives and reward achievements.

Motivation is a personal thing. So motivate with personal choice. Our Online Catalogue of Awards features more than 10 000 trusted brand name products, plus travel and experience awards. One incentive, thousands of choices. All carefully researched and updated daily.

And because we take care of it all – from procurement to web management and personal delivery – it's an easy, effective way for you to motivate action, achieve your business objectives and reward the people who support your success.

How the Online Catalogue of Awards works for you

We'll customise an awards selection suited to your requirements. If we haven't got something you want – we'll get it. Products are featured on a secure, user-friendly catalogue website that's branded for you and managed by us.

With a range of awards to satisfy any desire, your customers, channel partners and employees can enjoy an online shopping mall experience that's rewarding in itself.

The big benefit for you?

No administrative headaches. We manage everything.

And the other benefits:
