

Sprint Incentive Program

Short-term tactical sales incentive. Quick to market. Set targets, create focus, ignite sales. Move product fast. Achieve positive results.

A Sprint Incentive Program is a short-term tactical sales incentive designed to move products fast, clear old stock, boost seasonal sales and reignite sales passion. Generate a burst of sales activity from your own sales team or your sales channel. Time to launch is just a few weeks. Running time typically three to six months. Frequent, targeted communications drive momentum. Creative rewards and a wide range of winners fuel excitement. Furious fun, fast sales, positive results.
