

awardscard®

A simple, flexible reward system with choice. The **awardscard®** offers more ways to reward your employees, channel partners and customers.

The **awardscard®** is an incentive gift card that offers you more. Get single load or reloadable cards, the latest self-managed security features and the highest spend limit in the industry. The **awardscard®** gives you the flexibility of cash with the motivating power of tangible rewards.

How the **awardscard®** works for you

The **awardscard®** is secure, easy to set up and backed by MasterCard®.

Maximum monthly spend is the highest in the industry

- R 10 000 (standard card)
- R 25 000*

Countless reward options at thousands of retailers

- Shop at over 250 000 MasterCard® retailers in South Africa
- For thousands more choices, link to the Achievement Awards Group Online Catalogue of Awards (exclusive to full-service campaigns)

Multiple self-managed security features offer total cardholder control

- Exclusive cardholder activation via your program website or mobile channel
- Cardholder can instantly suspend or delete card at any time
- New self-lock feature lets cardholder lock and unlock spending
- Web access to real-time balances and statements
- SMS balance enquiries
- Transactions confirmed via SMS
- Support 24 / 7 via web or self-service helpline

* FICA compliance is required for load amounts between R 10 000 and R25 000

Choose the **awardscard®** that best suits your business and your brand
